**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my ISP in San Francisco because they connect me to competitively priced gigabit fiber internet and phone service. More competition between service providers benefits me and my family, and we prefer to support a local business. We say NO to reduced competition and price hikes.
